Eco Action Plan - **Developed by Eco Team, Mrs Hutton and Teachers - October 2019 / Reviewed June 2020**

Eco-Schools Action Plan 2019-20

Topic	Action	Target / Measure	Timescale / Deadline	Responsibility	Actual result achieved
Energy	Carry out survey to assess frequency of energy wastage from classrooms at break and lunch (When not in use) Hold an assembly to deliver survey results and encourage whole school to reduce wastage Carry out follow up survey to see if there is an improvement Ensure every class has a thermometer	Less doors are open, fewer whiteboards are on and no windows are open when radiators are on. All classrooms have a thermometer	Survey 1-November Survey 2-December	Eco Team/ Mrs Hutton/Teachers Whole School approach Mrs Hutton	
Healthy Living	Increase the percentage of healthy eating choices made in all year groups.	Eco Team will introduce an eco-prize for healthiest class by Christmas. Healthy eating points will be collected over the year. There should be an increase in healthy choices compared to 2018/19	**June 2020**	Eco Team/Mrs Hutton/Teachers Whole School Approach	
Outdoor Learning/Biodiversity	Re- develop STEM trail 7	To incorporate new outdoor learning and investigation zones in the senior playground	June 2020	Mrs Hutton/Teachers /Children Whole School	
Waste	To introduce a second compost bin for recycling P3 food scraps	A second compost bin will be purchased and installed at STEM Trail 8	**June 2020**	Mrs Hutton/ P3 Teachers /P3 Children
