

Londonderry News!

Friday 24th September

A milestone was reached on Monday evening as the Rev Stephen Doherty stepped down as our Chair of Governors, a role he has held for 13 years. He has been an amazing support to everyone in our school community. We are happy that he will continue in his role as a governor and we can continue to avail of his insight and wisdom. On behalf of everyone in school we would like to say thank you to him. He has a huge heart for this school and the community that is connected to it. As he further develops his work in this parish we wish him well. Thank you does just not seem enough!

A huge welcome to our New Chair Mrs Nicola Bell and to our Vice Chair Mrs Clare Holmes. They have now taken up their posts and we wish them well in these new roles.

Interview slips will go home on Monday. Under the present Covid guidance we are asking that only one parent attends. Covid procedures will be outlined to you. To facilitate these interviews **school will close at 12:15pm on Monday 11th, Tuesday 12th and Wednesday 13th of October.** Lunches will be served and we will notify you of an updated menu for these days.

Children have been given their new login details for Google Classroom. Please keep these safe as they will need them to access Google Classroom.

We have two little stars in our midst. Two of our children have been part of an episode of Blue Peter as they took a tour of Northern Ireland. Well done to both of you! Worth a watch on CBBC ☺.

Thank you to all the P1 apple harvesters. There are apples for sale on Monday for £1 per bag with the proceeds going to Eco projects.

Half-Term Wrap-Around Care

Please watch out for an email next week for an email about Wrap-Around Care for three days over the half-term holidays.

Primary 1

Our P1's will be staying until 2pm from this Monday, 27th September. Children may bring a packed lunch or can book a school dinner on School Money. Children may be collected from the infant playground at 2pm. Healthy Break money is also due by the end of this week.

Primary 3

Primary 3 are working so hard. They have been up in the computer suite completing numeracy games. They have been writing about themselves and even writing a class string poem. They are starting to make clay models of themselves which look brilliant. They are really enjoying testing their sense of smell. There might be smelly times down in P3! They have also finished their Twits novel and are now starting one of our favourites 'The Enormous Crocodile.'

Mrs Karen Flaherty
