

Londonderry News!

Welcome Back!

We hope you had a great half term. Lovely to see all the smiling faces return to school and all the brilliant work going on around the building. Lots of plans are being made, including those with our Shared Education partners for some pupils in P4 – P6. More information to follow later!

Primary 5 returned to swimming lessons this week and they thoroughly enjoyed them. There were a few very tired children on Wednesday afternoon!

Thank you to those parent helpers who are going with each class. Sometimes we ask for parents to help and we are always grateful to those who can facilitate this with their other commitments.

Primary 6 will be heading to the library over the next few weeks. They will be learning about how the library works and will be able to borrow books during their visit.

PTA - We had our PTA AGM on Tuesday evening. Thank you to everyone who had agreed to take up a post and for all the hard work that goes on in the background to help every child in school. All members of the PTA are parents and you would be made very welcome at any of our meetings.

After School Clubs (Primary 4-7) - Great to see our clubs starting this week. Thank you to all the staff who have been preparing for this return. The children enjoyed netball, football, singing club, digital technology and even board games. Other clubs will start next week including hockey, drama, African drumming, Scripture Union and art.

Our Eco Clubs also met this week after school and you may spot them in their green hats feeding birds and picking up litter. They are continuing their recycling projects around school including saving all those crisp packets!

Thank you to everyone who supported our 'Cash For Clobber' collection on Thursday. Mrs Hutton will let us know how much we have raised in the coming weeks.

Dates to Remember

10th November - Flu Clinic
