

# Londonderry News!

## Another week closer to CHRISTMAS!

Christmas nativity practices for Primary 1 and 2 have begun! It's great to hear the little ones singing 😊

There is a lot of learning and fun around the school. Primary 1 had a scavenger hunt in the autumn leaves and there has been a lot of dancing in the assembly hall for PE lessons.

Keep a look out on Facebook for our 'Stars of the Week' who have been amazing!

### Primary 6

P6W had a brilliant trip to the library and P6B will be following them in a few weeks' time. They really enjoyed listening to stories and choosing new books to read. They have also started a brilliant new class novel "Coraline" and they are really enjoying it.

There has been a lot of work on prime numbers and place value in Numeracy this week. The children have been dancing in PE and learning about Dionysus' Voyage. They are having fun every Wednesday in their Project Based Learning which this term is all about rainforest animals. They have also been learning about Viking Sagas which has really increased their knowledge on this topic!

### Flu Vaccines

The school nursing team were in school on Wednesday to give the flu nasal vaccine. If your child was absent or unable to receive the vaccine and they had returned a consent form, the school nursing team will be in contact regarding a catch up clinic.

### Sickness

There are a number of coughs, colds and tummy bugs going around in the community. Please use the guide attached to this email to determine whether to send your child into school. Please contact the school office if you have a concern or, if it is Covid related, please email [kflaherty870@c2kni.net](mailto:kflaherty870@c2kni.net)

### Odd Socks Day / Friendship Week

Please see the flyer attached to this email - Odd Socks Day will be on Monday 15<sup>th</sup> November.

### Children in Need

We will celebrate Children in Need Day on Friday 19<sup>th</sup> November. More information will follow on Monday.

Much to our regret we are losing our Secretary Mrs Reid at the end of next week. She has been given an amazing opportunity and we wish her well for the future. She has been an integral part of our school community and we will miss her friendly manner and how she always puts others before herself. Thank you, these will be big shoes to fill.
