

Connecting with Parents

Primary 3

January / February

Classwork

This leaflet outlines what we will be covering in January / February in Numeracy and Literacy and through the theme of **Our School** so that home learning can be organised to support your child if you wish.

Please Note: - *Not all aspects of each subject are included in this document and all children work at different levels of ability.*

Numeracy

Number - explore the composition of numbers to 100 as tens and units; count from a given number forwards and backwards in 1,2,5 and 10 to 100 using a 100 square

Data Handling - represent in a Venn diagram the results of sorting for 2 criteria

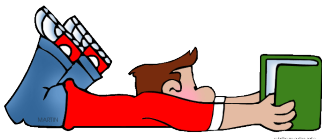

Shape & Space - recognise and use the mathematical names for 3D shapes; use a variety of sorting diagrams to sort and group 3D shapes

Measure— estimate and compare weights in relation to 1kg

Literacy

Reading- encourage prediction; spell sight words; identify compound words, read for meaning; identify direct speech.

Writing - write about a person who works in school; ; write a brief description of their school, classroom, teacher

Sounds— study words containing the following sounds: th, ng, oa, ee, oo, ay

Children will be sent home their group reading book and a class library book and we encourage you to read with your child when possible.

World Around Us

As our topic is **Our School** we will look at the following areas: explore and sort a range of materials in the classroom; explore classroom objects which use electricity and give out light; Co-ordinates grid; explore the location of our school; explore and discuss different means of travel to school;

study and discuss a plan of the school; compare and contrast their own experiences of school

to their parents and grandparents; compare and contrast materials used today and long ago in schools; compare uniforms today to those in Victorian times

Personal Development and Mutual Understanding

PDMU this term, will involve the pupils looking at their own cultural heritage, its traditions and celebrations; being aware of what influences their own views, feelings and behaviour at home;

recognising the interdependence of members in the school community;

understanding how and why rules are

made in the class, in the playground and at school; identifying what conflicts may arise at school, and explore ways in which it could be lessened, avoided or resolved.

Other Information

- Early Morning Club begins at 8am.
- Homework is completed daily and will be collected by the class teacher the following morning
- Please empty school bags on a daily basis and ensure your child has everything with them which they will need for the school day e.g. 3 sharpened pencils, rubber, sharpener, colouring pencils, books.
- Dinners are £2.60. If possible please send an envelope with dinner money for the week and list the days your child requires a hot meal or Lunch Box
- School telephone number: 91814325
